Presbyterian Committee Decides Election of Policeman, Once

MUSICIANS RETAIN COUNSEL TO ERECT. MANY BUILDINGS MATTER UP AGAIN TO-MORROW

Board of Directors Will Be Ap- Aldermen to Make Final Effort pointed by Church Assembly in May.

Richmond has been selected by the filed with Adjutant-General Sale this morning by Major E. W. Bowles, comthe armory on Monday night to play for a dance given in honor of the Virginia Military Institute cadets. The bandsmen, fifteen in number, were arrested by an armed guard of militiary rested by an armed guard of militiary in the direction of the Southern Presponses by terian Church, in addition to being the site also of Union Theological Semantic Terms and the state of the only inght.

The Common Council has twice inserted this amendment in the proposed charter changes, and it has been voted down as many times by the Board of Aldermen. The last recorded vote in tlal, the date of which will probably be site of the headquarters of the execuset to-day by General Sale, who will also select its personnel.

Set to day by General Sale, who will two committee of publication and Sabath school work and the publishing-To File Papers To-Day.

While willing to announce that he would prefer charges this morning.

Major Bowies last night refused to discuss the matter further.

"I will file the papers with the Additional and the publishing house. When it begins its work, Richmond will contain more of the distinctive departmental working forces of the Southern Presbyterian Church than any other city, and Richmond will thus

and they will be inspected with the rest of the battalion on Tuesday night as if nothing had happened."

The arrest of the musicians was ordered after their refusal to report at the armory on Monday night. The band had participated in the parade preceding the inauguration of Governor Styart that morning, and the members considered that they had fulfilled their considered walk of Union Theologimilitary duty to that extent, and were not obligated to perform at a social function. Major Bowles contends that as enlisted men it is incumbent upon them to obey orders without question.

Bandamen Retain Counsel.

few minutes' walk of Union Theological Seminary, in Ginter Park, money for the erection of suitable buildings and for the maintenance of the school for at least three years. This offer met all of the conditions imposed by the general assembly of the church when Handsmen Retain Counsel.

H. M. Smith, Jr., has been retained by the musicians to conduct their de-

### To Have Board of Directors.

Now that this choice has been made that the band was willing to play from 3 o'clock to 11:30 o'clock for \$35, and is construed by the musicians to make their appearance at the armory optional. Performing at a social affair, they contend, is not a military duty, and to order them to do so is not within the province of their commanding officer.

Bailed Until February 24.

That the band was willing to play assembly to be held at Kansas City in May will no doubt make this appoint. May will no doubt make this appoint ment and take charge. The board will connected with the work of having the General Assembly enact into law those changes on which both branches of the East have discarded the use of braid on cutaway coats, and have had management of the school, and will the East have discarded the use of braid on cutaway coats, and have had management of the school, and will then, after thorough investigation, elect the staff of instructors, the curriculum having been outlined already by the manding officer.

Bailed Until February 24.

There are several important measures on which both branches have agreed, "Said Mr. Puller, "and I am in favor of having them enacted into law, whether was assembly's committee.

There are Prince Alberts, evening the City Attorney to proposed with the work of having the General Assembly enact into law those changes on which both branches of the East have discarded the use of braid on cutaway coats, and have had management of the swellest customers in the East have discarded the use of the swellest customers in the East have discarded the use of the East have discarded the use o

Railed Until February 24.

The bandsmen were balled for appearance before a court-martial on February 24, and it is probable that date officially for the trial of the men. Only commissioned efficience are allegible.

Assembly's committee.

It is not probable that the buildings are compromise between the two branches of the City Council is taken to-morrow filled ings to be used by the school as classifications are allegible rooms, offices and dormitorles until the officially for the trial of the men. Inglet the whole issue will be lost, and Only commissioned officers are eligible to sit as members of this court, and they are under oath not to divulge any of its findings until after the report has been approved by the Governor. The offense with which the men will be charged is a breach of discipline, and is one of the most serious that can be committed.

Inchmond has proposed to rent building high the whole issue will be lost, and inght, the whole issue will be lost, and inght, the whole issue will be lost, and for facings. Bone buttons have departed, and in their stead are the very line silk-covered buttons. Waisteats, should be finally effected, will also imperful the chances of having the changes enacted into law.
